## ABOUT MICHELLE MCANANEY

Michelle McAnaney, founder of The College Spy, is a leader in the field of independent educational consulting, an entrepreneur, speaker, podcaster and writer. Michelle has worked with hundreds of students and families to identify (and get accepted to) the colleges that best fit their unique needs and preferences.

Michelle is an engaging and authoritative speaker, knowledgeable and enthusiastic about education and college admissions. Whether presenting a webinar, speaking at a live event or being interviewed for a podcast or article, expect Michelle to be generous with information and focused on the specific needs of the audience.

### SIGNATURE TOPICS

College Search and Selection • Standardized Testing • Strategic Applications • College Essays  
Students with Learning Disabilities • Early College Planning • Procrastination • College Visits  
International Students • Extracurricular Activities • STEM Majors • Female Entrepreneurship

## ABOUT THE COLLEGE SPY

The College Spy offers college planning services to students and families across the US and internationally. We are a team of dedicated educators who are committed to assisting families in identifying the right colleges to apply to and get in. We offer our guidance and expertise in a way that improves student performance, increases confidence and promotes college readiness and maturity. The College Spy works with all students including students interested in the STEM fields, students with learning differences, international students and third culture kids.

## TESTIMONIALS

Michelle is a powerhouse of a presenter and has a large following of high school parents.

– Colleague

You bring to light important messages in the college application process and are a credit to our profession!

– Admissions Professional

We found Michelle's depth and breadth of knowledge and experience to be invaluable. The information was presented in a way that was easy to digest and apply to our child.

– Online Course Participant

Michelle is a wellspring of information, comfort, and good humor as you help your children navigate this new world of planning for college."

– Parent of a College Spy Student

Michelle is exceptionally communicative and doesn't this a beat. She has a great ability to figure out how to motivate a student and is a wealth of knowledge.

– Parent of a College Spy Student
